Insert Electric Fireplace

Update your old fireplace with this premium electric fireplace insert. With efficient heat and beautiful, life-like flames, designed as an alternative to a wood-burning fireplace and provides a beautiful and affordable substitute. The insert can provide supplemental zone heating up to 500 square feet and can be used with or without heat for year-round enjoyment. These inserts don't require building a fire, and are even easier to start and maintain. Insert surround kits are available in 4", 5", 6" & 8" pieces to customize your existing fireplace with a Redstone model with a classic clean-look, Insert surround sets are for 26", 30" & 36" models only. Designed to fit into most existing wood burning fireplaces.
